Michel Branche

Junior Frontend Developer

Email	michel.lavoro@gmail.com
GitHub	github.com/MichelBranche
Portfolio	michelbranche.github.io/portfolio/
Location	Aosta Valley, Italy

I build modern, clean and responsive web interfaces. I'm strengthening HTML, CSS and JavaScript (DOM), with a focus on UI, details and reusable components. Available for internships and junior roles.

Skills

- HTML5, CSS3 (Flexbox, Grid), responsive design
- JavaScript (ES6+, DOM, async) - junior/intermediate level
- Git/GitHub (basic workflow), GitHub Pages
- REST APIs / JSON (basics)
- UI: spacing, hierarchy, reusable components
- Python scripting/automation (basics)

Selected projects

- **Masonry Gallery** - Pinterest-like layout (HTML/CSS).
  michelbranche.github.io/masonry-gallery/
- **Landing Page** - Complete landing page with sections and solid responsiveness.
  michelbranche.github.io/landing-page/
- **UI Layout** - Dashboard UI mock with JS: table filter, modal, toast.
  michelbranche.github.io/ui-layout/
- **Easy Calculator** - Minimal calculator with keyboard support and persistent theme.
